Heavy Duty

Advanced cut-resistant safety gloves, featuring premium leather for superior grip

- **Enhanced defenses:** These safety gloves feature a DuPont™ Kevlar® fiber and reinforced thumb crotch, as well as seams relocated to the back of the fingers, to guard against minor injuries, sharp snags and punctures
- **Specialized protection:** Among the best leather work gloves available, the ActivArm® 70-765 is also capable of protecting hands from intermittent heat contact up to 100°C/200°F
- **Strengthened grip:** They ensure strong, secure grip in oily environments
- **Improved durability:** ActivArm® 70-765 leather-palm work gloves feature a 10-gauge, mediumweight cut-resistant yarn, ensuring long-lasting use
- **Optimized comfort:** ActivArm® 70-765 safety gloves are not only heat-resistant, but comfortable and plaited with colored polyester and cotton

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication

Applications

- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Handling rough machined metal parts
- Glass repair and replacement
- Seizing rough blocs and cylinders
- Handling materials with sharp or rough edges
- Press shop operations
