

X-SCORCH 5001CB

X-SCORCH, Blue Cooling Towel, Dot Embossed, Super Absorbent & Evaporative PVA Material, 33.5" x 13", One Per Polybag

Key Features & Benefits:

- Incorporating Evaporative cooling products into your heat stress program assists in keeping workers cool on hot summer days.

When soaked in water and wrung out, the towel retains moisture while remaining damp. As the water gradually evaporates, it creates a cooling effect on your skin.

- Portable and lightweight making them convenient to carry and use wherever you need a quick cool down.

- Reusable and washable with no additional power source required.
