Strategically placed hearing protection dispensers help you save an average of **30% on hearing protection**

Moldex Glide® Twist In Foam Earplugs PlugStation®, Corded

MOL6883

- Moldex now offers our popular earplug dispenser, the PlugStation, with Glide with Cord earplugs. With the Glide PlugStation®, you can afford to put earplugs in all the places they're needed. The convenience, ease of use, and high visibility lead to higher compliance and cost savings.
- Like a fingerprint, no two ear canals are alike. Glide's unique multi-curved stem rotates for a custom fit inside each ear canal. With its unique curved stem design, you simply push & twist for Glide to angle its way to find your fit.

Moldex 6868 Magnetic Bracket For PlugStation®

MOL6868

- With the PlugStation, you can afford to put earplugs in all the places they're needed. Hang one near workstations, another outside the restrooms and another in the break room. Easy, convenient access to hearing protection will help ensure that the earplugs are being used and will save time
